

# Gray County Building Permit

Name of Applicant: \_\_\_\_\_

Mailing Address: \_\_\_\_\_  
\_\_\_\_\_

This permit system has been developed to help protect landowners in Gray County by regulating and/or restricting the use of land and the location of buildings erected or altered for specific uses within Gray County. (Effective Date: August 1st, 1997)

1. Describe the proposed use of the new structure: \_\_\_\_\_  
\_\_\_\_\_

2. Give a complete legal description of the property where said improvements will be made:  
\_\_\_\_\_  
\_\_\_\_\_

3. Will the facility require a sanitary waste water system? \_\_\_\_\_

4. Will the facility require a domestic water well (for personal consumption)? \_\_\_\_\_

*If the proposed use of the new structure is not a "Permitted Use" according to the guidelines set forth in the current Gray County Zoning Regulations (Adopted Aug. 1st, 1997), for the location where the proposed structure is to be constructed, then it will be necessary for the landowner to obtain a proper zoning classification for that location, prior to receiving approval of the building permit application.*
