

# Motor Vehicles

The Gray County Treasurer's Office is an agent of the State of Kansas for registering and titling motor vehicles. We issue license plates upon receipt of proper documentation and submission of the correct fees. The fees include registration fees, personal property taxes, title fees and sales tax, if applicable.

## Renewals

Renewal notices are mailed out as courtesy reminders six (6) weeks prior to the expiration date of the license plate. They are not forwarded to address changes.

## Insurance

State law requires applicants to provide proof of insurance on each vehicle being registered. This can be an insurance card issued by the insurance company, or a photocopy thereof, a binder of insurance, a motor carrier ID number issued by the state corporation commission, fleet insurance.

## Titles

Initial titling of vehicles when purchased is another function of the office. In order to title a vehicle, the applicant must have an assigned title or Manufacturer's Statement of Origin. The new owner has 30 days to bring the documents into the office for processing. After the 30 days, penalties will be assessed.

Vehicles with out-of-state titles must have a VIN inspection done before the vehicle can be titled in Kansas. This inspection is provided in the sheriff's office. The cost is \$20.00 cash or in-state checks only. This procedure is checking for stolen vehicles and matches the VIN number on the car to the one on the title. This is not a safety inspection.
